If, however, a quorum shall not be present or represented at any meeting, a majority of the Members so represented may adjourn the meeting from time to time without further notice. At such adjourned meeting at which quorum shall be present or represented, and entitled to vote, any business may be transacted which might have been transacted at the meeting as originally notified. The Members present at a duly organized meeting and who are entitled to vote may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum.

When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot. Such vote may be by a voice vote, but any qualified voter may demand a vote by ballot, each of which shall state the name of the Member voting, and the number of qualified votes by him, and if such ballot be cast by proxy, it will also state the name of such proxy.

There shall be no cumulative voting privileges nor shall the Members be required to distribute their votes among any number of candidates on the cumulative voting principle.

SECTION 8. Consent of Absentees. SECTION 9. Informal Action by Members. Unless otherwise provided by law, any action required to be taken at a meeting of the Members, or any other action which may be taken at a meeting of the Members, may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all of the Members entitled to vote with respect to the subject matter thereof.

ARTICLE V BOARD OF DIRECTORS

SECTION 1. General Powers. The management of all the affairs, property and business of the Association shall be vested in a Board of Directors which may exercise all such powers of the Association and do all such lawful acts and things as are not by statute, the Certificate of Incorporation, the Declaration or these Bylaws, directed to be exercised or done by the Members.

SECTION 2. Nomination. Nomination for election to the Board of Directors shall be made by a Nominating Committee or from the floor at the annual meeting of Members. The Nominating Committee shall consist of a chairman, who shall be a member of the Board of Directors, and one or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors prior to each annual meeting of the Members, to serve from

the close of such annual meeting to the close of the next annual meeting, and such appointment shall be announced at each annual meeting.

SECTION 3. Number, Tenure and Qualifications. The number of Directors of the Association shall be not less than two (2) persons who shall be elected at the first annual meeting of the Members by a plurality vote for a term of one (1) year. The Members shall elect three (3) persons at the second annual meeting of the Members by a plurality vote. The Directors elected at the second annual meeting shall have the following terms: One director shall have a term of one (1) year, another Director shall have a term of two (2) years and the third Director shall have a term of three (3) years. Commencing with the third annual meeting, all newly elected Directors shall have a term of three (3) years. The Members may elect more than three (3) Directors, but not more than five (5) Directors, if they so choose, commencing at the third annual meeting of the Members. The term of the fourth and fifth director, if any, shall be three (3) years, provided, however, if these directors are elected at the same meeting, one of such directors shall have an initial term of only two (2) years. Each Director shall hold office until his or her successor is elected and qualified even though his or her tenure of office should thereby exceed the periods prescribed in this Section 3.

The number of Directors of the Association and their respective terms of service may at any time be increased or decreased by vote of the majority of Members entitled to vote at any regular or special meeting of Members if the notice of such meeting contains a statement of the proposed increase or decrease. Provided, however, that the minimum number of Directors shall be one (1) and their minimum term of service shall be one (1) year. In case of any such increase, such additional Directors shall hold office until their successors are duly elected and qualified.

SECTION 4. Election of Officers. The Directors shall elect at their first meeting after each annual meeting of the Members the following officers of the Association for a term of one (1) year or until their successors are chosen even though their tenure of office would thereby

exceed one (1) year: a President and a Secretary. The Board of Directors may elect the following additional officers: one (1) or more Vice Presidents, an Assistant Secretary, and a Treasurer. Any office authorized hereunder may be held by the same person.

The Board of Directors may choose such additional Assistant Secretaries and Assistant Treasurers as in their judgment is in the best interest of the Association. The President must be a member of the Board of Directors and any other officers selected by the Directors may hold a position on the Board of Directors of the Association. The Directors may appoint or elect such other officers and agents as they deem necessary or advisable, who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined or assigned from time to time by the Directors. The officers of the Association are to have specific control of the affairs, property, business and operation of the Association subject only to the general control of the Board of Directors and such matters as are governed by law.

SECTION 5. Regular Meetings. A regular meeting of the Board of Directors shall be held without other notice than this Bylaw immediately after, and at the same place as the annual meeting of Members. The Board of Directors may provide, by resolution, the time and place for the holding of additional regular meetings without other notice than such resolution.

SECTION 6. Special Meetings. Special meetings of the Board of Directors may be called at any time by the President, or in his absence, by a Vice President, or by any one (1) Director. The person or persons authorized to call special meetings of the Board of Directors may fix the place for holding any special meeting of the Board of Directors called by them.

SECTION 7. Notice. Notice of any special meeting of the Board of Directors shall be given at least ten (10) days previously thereto by written notice delivered either personally, mailed, faxed or e-mailed to each Director at his business address, or by telegram. If mailed, such notice shall be deemed to be delivered when deposited in the United States Mail so addressed, with postage thereon prepaid. Any Director may waive notice of any meeting. The

attendance of a Director at a meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

SECTION 8. Quorum. A majority of the number of Directors fixed by Section 3 of this Article V shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than such majority is present at a meeting, a majority of the Directors present may adjourn the meeting from time to time without further notice. The act of the majority of the Directors present at a meeting in which a quorum is present shall be the act of the Board of Directors.

SECTION 9. Vacancies. Any vacancy occurring in the Board of Directors, regardless of the manner in which caused, may be filled by the affirmative vote of a majority of the remaining Directors, though less than a quorum of the Board of Directors, unless otherwise provided by law. A Director elected to fill a vacancy shall be elected for the unexpired term of his predecessor in office and until his successor is elected and qualified. Any directorship to be filled by reason of an increase in the number of Directors shall be filled by election at an annual meeting or at a special meeting of Members called for that specific purpose.

SECTION 10. Compensation. No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

SECTION 11. Presumption of Assent. A Director of the Association who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have consented to the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or the Association immediately, and not more than five (5) days after the adjournment of the meeting. Such right to dissent shall not

apply to a Director who voted in favor of such action.

SECTION 12. Standing or Temporary Committees. The Association shall continue, maintain and be responsible for the establishment and continuation of an architectural committee in the time and manner provided in the Declaration. After the Declarant transfers the responsibility for the appointment of the committee members pursuant to the Declaration, the architectural committee shall consist of a minimum of three (3) persons. The committee shall otherwise be governed in accordance with the terms and conditions of these Bylaws, including, without limitation, the balance of the provisions of this Section 12.

Additional standing or temporary committees may be appointed from its own number by the Board of Directors from time to time, and the Board of Directors may from time to time invest such committees with such powers as it may see fit, subject to such conditions as may be prescribed by such Board. An executive committee may be appointed by resolution, passed by a majority of the whole Board; it shall have the powers provided by statute, except as specifically limited by the Board. All committees so appointed shall keep regular minutes of the transactions of their meetings and shall cause them to be recorded in books kept for that purpose in the office of the Association and shall report the same to the Board of Directors at its next meeting.

SECTION 13. Powers. The Board of Directors shall have the power to:

- A. Adopt and publish rules and regulations governing the use of the Common Area and facilities, and the personal conduct of the Members and their guests thereon, and to establish penalties for the infraction thereof;
- B. Declare the office of a Member of the Board of Directors to be vacant in the event such Member shall be absent from three (3) consecutive regular meetings of the Board of Directors;
- C. Employ a manager, an independent contractor, or such other employees as they deem necessary, and to prescribe their duties; and

- D. Foreclose the lien against any Lot for which assessments are not paid within thirty (30) days after due date or to bring an action at law against the Owner personally obligated to pay same.

SECTION 14. Other Powers. In addition to the powers and authorities by these Bylaws expressly conferred upon them, the Board of Directors may exercise all such powers of the Association and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation, the Declaration or by these Bylaws directed or required to be exercised or done by the Members.

SECTION 15. Informal Action by Directors. The Directors shall have the right to take any action in the absence of a meeting which they could take in a meeting by obtaining the written approval of all of the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

SECTION 16. Duties. It shall be the duty of the Board of Directors to:

- A. Supervise all officers, agents and employees of the Association, and to see that their duties are properly performed.
- B. As more fully provided in the Declaration and Article VI of these Bylaws, to:
- 1) fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment. In no event, however, shall the amount of the annual assessment be less than the minimum amount necessary to adequately maintain and support the Common Area;
 - 2) send written notice of each assessment to every Owner subject thereto at least thirty (30) days in advance of each annual assessment;
 - 3) shall appoint an architectural committee pursuant to the terms and conditions of the Declaration;
 - 4) issue, or to cause an appropriate officer to issue, upon demand by any

person, a certificate setting forth whether or not any assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. If a certificate states an assessment has been paid, such certificate shall be conclusive evidence of such payment;

5) procure and maintain adequate liability and hazard insurance on property owned by the Association; and

6) cause Common Area to be maintained.

- C. Fix the amount of any special assessments for capital improvements. The annual and special assessments, together with interest, costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney fees, shall also be the personal obligation of the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to the successors in title unless expressly assumed by them.
- D. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of 2/3rds of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose.
- E. Written notice of any meeting called for the purpose of fixing or levying special assessments only as defined herein (specifically excluding any annual assessment) shall be sent to all Members not less than 30 days and no more than 60 days in

advance of the meeting. At the first such meeting called, the presence of Members or proxies entitled to cast at least 60% of the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be 1/2 of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

ARTICLE VI
ASSESSMENTS

As more fully provided in the Declaration, each Member is obligated to pay to the Association annual and special assessments which are secured by a continuing lien upon the property against which the assessment is made. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the property and for improvement and maintenance of the Common Area. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his or her Lot.

Both annual and special assessments must be affixed at a uniform rate for all Lots and may be collected on a monthly basis.

The annual assessments provided for herein shall commence as to all Lots in accordance with the determination of the Board of Directors, provided, however, the annual assessments shall commence and be levied at such time as Declarant owns less than ten (10) Lots, or on the first day of the month following the conveyance of a Common Area from the Declarant to the Association, whichever occurs first. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year.

An interest charge, late fees and legal fees may be added to any late or unpaid assessment. The Board of Directors will adjust the interest rate each year one (1) week prior to the annual

HOA meeting. The revised interest rate will be set equal to the then current WSJ prime rate plus 12%. If the WSJ prime rate is not available, the Board may index to another national index of similar maturity. An assessment will be considered late if not paid within ten (10) calendar days of its due date. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or the abandonment of his or her Lot.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereon.

ARTICLE VII COMMITTEES

The Association shall appoint an architectural committee, at the time and in the manner specified in the Declaration and these Bylaws, and a nominating committee, as provided in these Bylaws. In addition, the Board of Directors shall appoint other committees as deemed appropriate in carrying out its purpose and consistent with Section 12 of Article V of these Bylaws.

SECTION 2. Removal. Any officer or agent elected or appointed by the Board of Directors may be removed by the affirmative vote of two-thirds (2/3rds) of all members of the Board of Directors whenever in its judgment the best interests of the Association would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed.

SECTION 3. Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or otherwise, may be filled by the Board of Directors at any regular or special meeting for the unexpired portion of the term and until a successor shall have been duly elected and qualified.

(e) In general, perform all duties incident to the office of the Secretary and such other duties as from time to time may be assigned to him/her by the President or by the Board of Directors.

SECTION 7. Treasurer. If required by the Board of Directors, the Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine. He shall:

(a) Have charge and custody of and be responsible for all monies, bonds and securities of the Association; receive and give receipts for monies due and payable to the Association from any source whatsoever and deposit all such monies in the name of the Association in such banks, trust companies or other depositories as shall be selected in accordance with the provision of these Bylaws.

(b) He/she shall disburse all funds of the Association in payment of the just demands against the Association, or as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the Board of Directors, from time to time, as may be

required of him, an account of all his transactions as Treasurer and of the financial condition of the Association.

(c) In general, perform all of the duties incident to the office of Treasurer and such other 14 duties as from time to time may be assigned to him by the President or by the Board of Directors.

SECTION 8. Assistant Secretaries. The Assistant Secretaries in the order of their seniority shall in the absence or disability of the Secretary, or in the event of his inability or refusal to act, perform the duties of the Secretary and exercise all powers conferred on such Secretary when so acting and be subject to all the restrictions upon the Secretary. The Assistant Secretaries shall perform such other duties as from time to time may be assigned to them, or any of them, by the Secretary or by the Board of Directors.

SECTION 9. Assistant Treasurers. The Assistant Treasurers in the order of their seniority shall in the absence or disability of the Treasurer perform the duties and exercise the powers of the Treasurer, subject to the limitations thereon, and shall perform such other duties as the Treasurer or the Board of Directors shall prescribe.

SECTION 10. Compensation of Officers. No officer shall receive compensation for any service he may render the Association. However, any officer may be reimbursed for his actual expenses incurred in the performance of his duties.

SECTION 11. Reports of Officers. All officers shall render reports of the business transacted by them during the fiscal year last concluded at the annual Members meeting and at any Directors meeting. Such reports may be orally given unless the Board of Directors instructs the officers to render written detailed reports of such business transacted.

ARTICLE IX
